Dom Pérignon

Dom Pérignon is a vibrant, living, perpetually renewed homage that evokes Dom Pierre Pérignon, the spiritual father of champagne. The maturation of Dom Pérignon occurs not in a simple linear trajectory, but in successive leaps into new expression, each of which are called Plénitudes. In the long journey of elaboration, the wine goes through this metamorphosis, a transformation. Each Plénitude contributes to Dom Pérignon's singularity. In the darkness of the cellars, from one plénitude to the next, Dom Pérignon will grow and blossom, transmuting time into energy. Magnum bottles bring a spectacular twist to your party, and are perfect for sharing amongst a group of friends.

K R U G

The House of Krug illustrates the amazing adventure of a visionary, Joseph Krug, a determined man with an uncompromising philosophy, who understood that the essence of Champagne is pleasure itself.

He wanted to offer his clients the ultimate pleasure experience in Champagne every year, regardless of the annual changes in climate, Krug is the only House to offer five Prestige Cuvées that are all different, while all being of equal, undisputed quality and distinction.

Each Cuvée conveys a particular interpretation of excellence, offering an inimitable experience the moment it is tasted, overwhelming the senses with exceptional pleasure.
